THE MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (SHRI MD. ALI ASHRAF FATMI): (a) to (d) As per information provided by CBSE, there is no weightage for attendance in the examinations. However, to appear in the Board's Class X and XII examinations, the students need to have at least 75% of attendance. The Board has also revised and strengthened the internal assessment scheme in Classes IX and X in order to bring about holistic improvement in assessment.

CBSE has also introduced internal evaluation in Social Science from Class IX in 2004-05 and in Class X in 2005-06. Similarly internal evaluation for 20 marks in the subject of Mathematics has also been introduced from Class IX in 2005-06.

These norms are implemented in all the schools affiliated to CBSE all over the country and abroad.

University Grants Commission (UGC) has also issued regulations in 2003 on the minimum standard of instruction for the grant of first degree. As per the regulations there shall be continuous sessional evaluation in each course in addition to trimester/semester/year end examinations and the weightage for sessional evaluation and examination in respect of each course shall be duly prescribed.

Further, the minimum number of lectures, practicals, tutorials and seminars which a student shall be required to attend for eligibility to appear at the examination shall be prescribed by the University which shall ordinarily not be less than 75% of the total number of lectures, practicals, tutorials, seminars and any other prescribed requirements.
